ORDER

On April 23, 2008, United States Magistrate Judge William A. Knox recommended denying plaintiffs' motion for a temporary restraining order. The parties were advised they could file written exceptions to the recommendation, pursuant to 28 U.S.C. § 636(b)(1)(C).

The court has conducted a de novo review of the record. Plaintiffs have not filed exceptions, but have filed an additional motion for a temporary restraining order. Upon review, this court adopts the Report and Recommendation. Plaintiffs' allegations do not merit the issuance of a temporary restraining order.

IT IS, THEREFORE, ORDERED that the Report and Recommendation of April 23, 2008, is adopted. [14] It is further

ORDERED that plaintiffs' motions for temporary restraining orders are denied. [5, 16]
